our community; creating
long-lasting impact.*

UNITED FOR IMPACT: Imagine What We Can Do Together

United Way of
West Central Connecticut

About Us

For over 100 years, United Way of West Central Connecticut has partnered with individuals, businesses, and organizations to improve the communities of Bristol, Burlington, Plainville, and Plymouth. Here's how!

Health, Education, & Financial Stability

HEALTH United Way is working hard to help every person to have access to a healthy life – whether that's affordable health care resources, healthy food, or shelter.

Over 14,000 residents in our service area utilized United Way 211 for free information and referral services.

FamilyWize, a free prescription drug discount program, saves on average 30% off prescriptions.

Triad & SALT Council, offer programs that focus on crime prevention, safety awareness, and additional services available to elder adults.

FINANCIAL STABILITY United Way is working hard to help people access skill-building training and support to obtain good-paying jobs and opportunities for career advancement.

470 local individuals filed their 2022 tax returns, at no cost, through **VITA (Volunteer Income Tax Assistance) Program**.

25 high school students enrolled in the Walsh Summer Work Experience Program which provided career readiness skills and paid summer work opportunities.

EDUCATION United Way is working hard to make sure every child is ready to succeed in school, and leaves equipped for work and life.

Over 400 students receive a new donated backpack and school supplies through the annual Adopt-A-Child Backpack program.

Kids in the Middle & Youth Board prepare middle and high school students for positions of leadership and volunteerism in the community.

Bristol Early Childhood Alliance provides access to early childhood resources so children are healthy and ready to learn by age 5.

ALICE

ALICE, *Asset Limited, Income Constrained, Employed*, represents households in CT with earnings above the Federal Poverty Level but below a basic cost of living threshold. These households live paycheck to paycheck and are unable to afford life's most basic necessities such as housing, food, child care, transportation, and healthcare.

United Way of West Central CT is dedicated to supporting ALICE populations and all CT residents.

United Starts With You!

Be a hand raiser and unite our communities. United Way of West Central CT has many ways to give back! Volunteer, host a collection drive, join a committee, make a donation and more!
