COVID-19 Alert

If you think you have been exposed to COVID-19 and develop a fever and symptoms, such as cough or difficulty breathing, call your healthcare provider for medical advice.

Source: [Centers for Disease Control and Prevention \(CDC\)](https://www.cdc.gov/)

There is so much information available online about COVID-19, and we encourage you to use the relevant links listed in this resource guide for reliable and regular updates. We cannot emphasize enough the need for the basics of infection control:

1. Wash your hands regularly or use hand sanitizer,
2. Avoid touching your face,
3. Maintain as much social distance as you realistically can from others, and
4. Stay home and call if you are ill (fever, cough, shortness of breath, or flu-like symptoms).

Please practice social distancing-- 6 feet

STAY HOME -- STAY SAFE

Many families have suffered a loss in wages, services and even health care during these uncertain times. Connecticut United Ways and United Way of West Central CT have established COVID-19 Response Funds to help our local residents. Be a hand raiser and consider donating.
